NOTIFICATION OF POSSIBLE CHANGES IN COVERAGE FOR TERRORISM

Dear Policyholder:

The Terrorism Risk Insurance Act (including ensuing Congressional actions pursuant to the Act) will expire on December 31, 2027 unless the Federal government extends the Act. What this means to you is the following:

1. Subject to policy terms and conditions, the enclosed policy will provide insurance coverage for certified acts of terrorism as defined in the Act only until December 31, 2027.
2. A conditional endorsement entitled, Conditional Exclusion Of Terrorism Involving Nuclear, Biological Or Chemical Terrorism (Relating To Disposition Of Federal Terrorism Risk Insurance Act) is enclosed. This conditional endorsement will only apply if the Act is not extended or if the Act is revised to increase statutory deductibles, decrease the federal government's share in potential losses above the statutory deductibles, change the levels, terms or conditions of coverage and we are no longer required to make terrorism coverage available and elect not to do so. It will not apply if the Act is simply extended.
3. The conditional endorsement will provide coverage for an incident of terrorism pursuant to the terms and conditions of the policy only if the incident does not involve nuclear, biological or chemical material.
4. A premium charge for the conditional endorsement will be applied effective January 1, 2028. The premium will be pro rated for the remainder of the policy term and is one-half of the current premium charge appearing in the Declarations for TERRORISM - CERTIFIED ACTS. However, it will only be made if the Terrorism Risk Insurance Act (including ensuing Congressional actions pursuant to the Act) is not extend. Revised Declarations will be mailed to you after January 1, 2028.
5. If the Act is extended without any revision, the enclosed policy will continue to provide coverage for certified acts of terrorism. The conditional endorsement will not be activated and the changes in coverage or premium referenced above will not apply.
6. If the Act is extended with revisions or is replaced, and we are required or elect to continue to offer coverage for certified acts of terrorism, we may amend this policy in accordance with the provisions of the revised Act or its replacement.

This notice is for informational purposes only.

IMPORTANT INFORMATION REGARDING TERRORISM RISK INSURANCE COVERAGE

The Terrorism Risk Insurance Act of 2002 was signed into law on November 26, 2002. The Act (including ensuing Congressional actions pursuant to the Act) defines an act of terrorism, to mean any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States to be (i) an act of terrorism; (ii) to be a violent act or an act that is dangerous to human life, property or infrastructure; (iii) to have resulted in damage within the United States or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and (iv) to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States government by coercion.

Subject to the policy terms and conditions, this policy provides insurance coverage for acts of terrorism as defined in the Act.

Any coverage for certain commercial lines of property and casualty insurance provided by your policy for losses caused by certified acts of terrorism are partially paid by the federal government under a formula established by federal law. Under this formula, the government will reimburse us for 85% of such covered losses that exceed the statutory deductible paid by us. However, beginning January 1, 2016 the share will decrease 1% per calendar year until it equals 80%. **You should also know that in the event aggregate insured losses exceed \$100 billion during any year the Act is in effect, then the federal government and participating United States insurers that have met their insurer deductible shall not be liable for the payment of any portion of that amount of the loss that exceeds \$100 billion. In the event that aggregate insured losses exceed \$100 billion annually, no additional claims will be paid by the federal government or insurers.** This formula is currently effective through December 31, 2020 unless extended.

The premium charge, if any, for this coverage is shown separately on the attached Declarations page. In the event of a certified act of terrorism, future policies also may include a government assessed terrorism loss risk-spreading premium in accordance with the provisions of the Act.

Please contact us if you would like to reject coverage for certified acts of terrorism.
